

Photograph Consent Form

Please complete the form below to agree that Torbay AAC have your permission to use your photograph.

What will we use it for?

Images are intended for use on our website and news articles. We will not use your image for anything negative or in a way that would cause embarrassment or distress. We will only use your first or family name against the photo if you have consented to this.

Who will we share it with?

The image will be publicly available for people to view but we will retain the copyright and not knowingly allow anyone else to use the image without your consent.

What happens if you change your mind?

If at any point you would like us to stop using your photograph all you need to do is contact us. We will remove your photo from our website and social media. We will also delete it from our database so that it cannot be used in the future. However, we will not be able to recall the photograph when it has previously been printed, for example on newsletters that have been sent out.
